Attention: CEO/ Director

With due respect, trust and humility, I write to you irrespective of the fact that you don't know me. I got your contact from your country business directory through a reliable source.

First, I must introduce myself. I am Mrs. Stella Machauda and my husband Mr. Martin Machauda was murdered in cold blood by the so-called war veterans of ZANU - PF party of president Robert Mugabe of Republic of Zimbabwe.

My husband untimely death happens on the 15 April 2004 and Six months later my mother in law Elizabeth 72, was also shot dead by the war veterans. Before the death of my mother in law, she gave me some documents concerning a metal box, which contains US\$16.4M (Sixteen Million Four Hundred Thousand United States Dollars). And this metal box is deposited with a reputable Security Company here in Johannesburg South Africa as Gold Jewellery belonging to overseas friend by my late husband in my name before his death at such the security company is not aware of the true content of the consignment.

And now, am leaving in south Africa with my son and my 3 year old daughter as asylum seeker pending when I get a trustworthy person that can assist us to transfer this money to his or her personal bank account outside South Africa because of the strict monetary laws here which do not allow asylum seekers to operate any bank account in South Africa. (MUTUAL TRUST AND ABSOLUTE CONFIDENTIALITY)  
Based on this, I am contacting you to assist me accomplish this transaction hoping that you will remain trustworthy. And I want you to know that this transaction is 100% risk free as such the only thing I ask from you is total assistance to transfer this money. (MEMORANDUM OF UNDERSTANDING).

If you agree to help me I shall give you 30% of the total sum. While 65% shall be for me, which I hope I invest in business in your country at the end of this transaction, while the balance of 5% shall be for any expenses in this transaction. You can contact My Son John Machauda who is currently in London United Kingdom. And please do keep this transaction private and confidential even if you are not interested to assist me.

Best regards  
Mrs. Stella Machauda
